AGAIN, WHERE IS THE REBUTTAL I SENT TO YOUR SITE TWICE?? WHY AREN'T YOU PLACING IT ON YOUR SITE. YOU PLACE THIS WOMAN'S SLANDER RIGHT AWAY. THIS IS **EDITORIAL CONTROL**, WHICH MAKES YOU AS LIABLE AS THIS WOMAN IS. NOT ONLY DO YOU NOT CHECK IF THE PEOPLE "COMPLAINING" EXIST, BUT I HAVE TO SEND YOU EACH OF MY RESPONSES A FEW TIMES, AND YOU STILL DON'T WANT TO DO ANYTHING ABOUT IT. I MADE COPIES OF THE REBUTTAL, WHICH I FORWARDED TO YOUR SITE TWICE. **YOU HAVE TO POST IT.**

Very truly yours,

Helene Goldnadel

Ed Magedson,

The attorney forwarded his cease and desist letter to your site yet again. Your policy indicates that you post everything and then won't get it off your site, as per you emails. **WHY HAVE YOU NOT POSTED THE ATTORNEY'S LETTER?** Are you aware of the possible consequences when you are an instrument in the slandering of a person and a business? All I am asking you to do is to post the attorney's letter. You will notice that it is not adressed to you but to Linda Ann Williams.

Very truly yours

Helene Goldnadel

First off, we make no such claim.. please, tell me where that is... Why are you lying?

We have NO obligation to check anything. Who would pay for that anyway?!

Secondly, we received nothing from any lawyer in a REBUTTAL.

Dear Ed Magedson,

My attorney filled out one of your rebuttal boxes, with a letter addressed to Linda Ann Williams, the woman who has been creating fake email adresses, fake names, and was still able to get her slenderous comments fully published on your site. John Lautsch my attormey exists, he does not call himself other names, does not give false email adresses, yet, you did not place his rebuttal on your site!!!! I do not understand how Linda Williams aka Linda Ann Miller was not investigated by your company, before she was put up on your site. Neither do I know how you can have a policy saying that you check on everybody's existence and legitimate phone number and email information, and you still put up on your site all the fake emails that that woman dreamt up. None of the fake complainants names, email adresses, phone numbers were verified by you or your company. MY ATTOR NEY NEVER GOT HIS REBUTTAL PUBLISHED AND HE IS THE ONE WHO REALLY WROTE THE LETTER TO THAT WOMAN, WHICH HE ATTEMPTED TO PUT ON YOUR SITE.

Surely you can understand the amount of damage to myself and my company's reputation, slandering like the fake complaints put on your site has caused. Can you imagine the amount of lost business, pain and suffering this has done to myself and my business? I believe that the rebuttal written by my attorney **should** be published on your site.

Very truly yours,

Helene Goldnadel

I would truly appreciate if you could publish my rebuttals. I realized that you have rules as per keeping the "complaints" you get on the site, but I work very hard for my clients and I do everything right. This woman is on a personal vendetta against me. She did not pay us any money neither did the five people, who all wrote the same day(!), and are one and the same person! You know people can create an email and a zip code, and give you some phone number and be able to cowardly slander someone. Please understand my frustation. I think it would be fair to let me express myself. I am an honest person and work 12 hours a day. would you like for me to forward this woman's emails? Five a day! Only written for the purpose of harassing me and obtaining a list of the agents that come in to scout our clients. She was not accepted with us!

Thank you for your understanding

Helene Goldnadel

File a REBUTTAL, you will not get anywhere filing a lawsuit, but suit your self if you want to waste your money... you can turn around the negative Report by being supportive of the site (free speech) and say your side nicely... click on the REBUTTAL Box at the end of the Report....

Why WE DO NOT Remove Rip-off Reposts:

If we remove Rip-off Reports, we would be no better than the BBB. Although we can not remove reports, we do provide and UPDATE feature that allows you supply additional positive or negative information regarding your situation. Additionally, we supply a REBUTTAL feature so that the company reported has a chance to respond by agreeing, disagreeing, or apologizing and explaining what will be done to fix the issue. By allowing consumers to view the original report, updates, and rebuttals; consumers will be able to make informed and educated decisions. This is mainly because consumers will be able to see how the company in question deals with complaints.

Regardless, we have NEVER removed a valid Rip-off Repot, and we never will. We have been offered as much as \$50,000 to remove Rip-off Reports, but we declined because doing so is in violation of our policy, and more importantly, goes against what we what we stand for. Please understand our position.

Dear Editor,

My name is Helene Goldnadel. I am the owner of International Creative Artists in Irvine California. A woman has been e-mailing threats to me demanding for me to give her contacts in the acting industry. She came in for an audition and did not get accepted. She sent three complaints to ripoffreport.com. under three different names. Please read my rebuttal to her three complaints. I am suing this woman for defamation. I request that her complaints under "Linda Miller, Newport Coast, John, Beverly Hills, Bethany, Laguna Beach".would be removed from Rip-Off.com, since she wrote three times under fake names, never purchased any services from ICA, was never offered any services.. Anybody can start a fake email account. Rip Off.com does not check on what is a legitimate complaint, and what is an attempt to defame and slender a business. I am suing this person. Please remove those three complaints from your site. Her last email said she placed a complaint with you, and should she not get lists of my contacts, she would place complaints with you again! And she did! Please communicate your mailing adress to me, so I can mail you copies of all her emails, (4/5 a day!), and mail you copies of the legal paperwork, which is being processed by my attorney. I am convinced that Rip-Off.com, which is a site that I have respect for, will not get involved in harassement emails, which is a against the law as MUCH AS ANY OTHER FORM OF HARASSEMENT, and will welcome my mailing of the law suit info, the copies of this woman's harrassing emails. You can contact me at the email adress above or call me at (949) 250 9888. I will take any and all action necessary to protect my company and myself from slander and defamation.

Sincerely,

Helene Goldnadel/ International Creative Artists
